RESPONSE TO RESTRICTION REQUIREMENT

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

In response to the restriction requirement mailed on March 27, 2002, Applicants hereby elect to prosecute the claims of Group II (8-11, 16-19 and 26-29) without traverse.

Concurrently filed herewith is a Petition for a one month extension of time along with the required fee, making a response due May 27, 2002. However, because May 27, 2002, falls on a federal holiday, a response filed the next business day, namely May 28, 2002, is to be considered timely under 37 C.F.R. section 1.7.

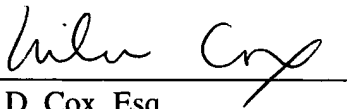

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Assistant Commissioner to charge the cost of such petitions and/or other fees due in

connection with the filing of this document to Deposit Account No. 02-2327. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

If the Examiner believes that a telephone conference would expedite the prosecution of this application, please call the undersigned at (617)-679-2079.

Respectfully submitted,

Date: May 28, 2002
